IMPORTANT NOTICE - The landlord is prohibited from taking an adverse action against a tenant based on eviction history occurring during or within six months after the end of the civil emergency proclaimed by Mayor Durkan on March 3, 2020, and that the Seattle Office for Civil Rights is the department that will enforce any violations of this ordinance.

Each resident is required to complete one copy of the application form. An application must be submitted on each resident or occupant 18 years of age or older. At least one lease holding resident 18 years of age or older must reside in the apartment home, with the exception of emancipated minors. **Upon acceptance of any application, the back must be completely filled out and signed where necessary. Two Forms of Payment Required: One for the application fee, one for the security deposit.**

As part of the application process and in accordance with the State of Washington Fair Tenant Screening Act, we want to make you aware of specific information that may be considered in our decision to approve, approve with conditions or deny the application. **We do not accept reusable tenant screening reports.** In order to determine your eligibility for residency, we will obtain information related to a consumer credit report, check writing history, eviction and/or judgments (including filed cases), historical payment performance, even on an account currently in good standing, rental history and/or income verification. If the screening report returns with information contrary to our standards of qualification, an *Adverse Action Letter* will be mailed promptly. The Adverse Action Letter will supply information for the decisions involved in the final outcome of the application status, as well as how to obtain a free credit report from one or more of the major consumer reporting agencies listed below:

I. VERIFIABLE INCOME TO RENT EARNING RATIO:

- A. All lease holding applicants must have verifiable income. The combined income must be at least three (3) times the monthly rent amount.
- B. Income must be verified using the last four paycheck stubs. If the applicant is self-employed, then the previous year's tax return and bank statements from the last six months will be acceptable means of verification.
- C. Other verifiable income sources of income could include: Current Employer, Child Support, Grants, Pensions, Social Security, GI Benefits, Alimony, Disabilities, Unemployment*, Trust Funds, Assets Receiving Dividends, Savings Account**, and any federal, state, local government, private or nonprofit administered benefit program that can be verified for the entire term of the lease contract.
 - Unemployment benefits must be verified through the local Unemployment Office.
 - **If using a Savings Account as income verification, the amount in the account must be at least three times the monthly rent for the length of the lease.
 - Any other source of income that can be proven to be received on a regular basis may be considered.

- Any documentation provided is subject to additional verification and authentication, including but not limited to a completed Employment Verification executed by a direct supervisor or human resources.
 - If verifiable rent-to-income earnings ratio falls below our scoring guidelines, a guarantor may be used to achieve approval, if the applicant chooses to do so. The guarantor must complete a separate application and qualify under the same guidelines. However, the guarantor must make at least five (5) times the monthly rent amount. Any and all bankruptcy records will decline the guarantor application.
- D. If verified debt on the consumer report exceeds the income thresholds needed to secure approval, the application will be denied for debt-to-income purposes.
- E. Insufficient income will result in denial. The option for a guarantor may be extended.
- II. **CREDIT:** All applicants will be subject to a credit check through Equifax, Experian and/or TransUnion. The presence of a public record on a consumer report can negatively impact the overall score.
- Applications that return with any of the following conditions will be declined: unsatisfactory or unfavorable credit history, rental collection balances greater than \$2,000 reported within the last 4 years, a filed bankruptcy or a foreclosure within the past 4 years, and/or debt-to-income that exceeds acceptable income thresholds as it relates to rent-to-income requirements. The screening search also verifies debt-to-income ratios and will deny applications where debt exceeds acceptable income thresholds as it relates to rent-to-income requirements.
- III. **RENTAL/MORTGAGE HISTORY:** Rental/Mortgage history will be based on the length of history as well as the pay record. An application with a reported eviction judgment or broken lease with money owed, within the last 4 years, to a current or previous landlord will be denied. Collection balances greater than \$2,000.00, pertaining to rental debt reported within the last 4 years, will be denied. Applications reflecting a foreclosure(s) within the last 4 years will be denied. Applicants with reported rental debts to any Westwood Residential Four or Taylor Land Two managed property will be denied unless the balance owed is paid in full. Any person(s) subject to eviction or mutual termination for non-rent related breach of lease at a Westwood Residential Four /Taylor Land Two managed property will be denied. The applicant will bear the burden of proof if making disputes against the credit report. Further rental history verification may be required for any consumer report that returns with an alert or reflects a balance due to any current or previous landlord.
- IV. **BACKGROUND CHECK:** A background check of sex offender registries will be performed on all individuals age 18 and over. Applicants registered on a state or federal sex offender registry could be declined. If an applicant does appear on a state or federal sex offender registry, additional information may need to be obtained in order to make an assessment.
- Remember that the criminal history requirement does not constitute a guarantee or representation that those residents or occupants residing at the apartment have not been convicted of any of the above-mentioned crimes. Additionally, our ability to verify this information is limited to the information made available to us by the resident credit reporting services used.
- V. **STUDENT POLICY:** Applications with one or more lease holding residents that are enrolled in school or university on a half-time or more basis will be required to secure a guarantor or lease guarantor in order to achieve approval.
- VI. **OCCUPANCY GUIDELINES:** The following Occupancy guidelines are as follows:
